About

"A haven where style, surf and serenity unite"

Some places possess an extraordinary aura.

They evoke a sense of tranquillity, where time seems to slow down, the air feels invigorating and the horizon appears to stretch endlessly. The Cedars is one of those rare havens.

This is a stylish and substantial family home, completely redesigned and remodelled in 2021 by the current owners. Now presented in turnkey condition, it offers contemporary interiors, versatile multi generational living and a detached one-bedroom annexe that adds valuable further flexibility.

Set in an elevated and private setting with stunning views, this family home blends seclusion with convenient access. With landscaped gardens and ample parking this is a rare opportunity, just a short walk from down to Woolacombe's golden bay.

The Property

At the heart of the home is a bright open-plan kitchen, dining, and living area with three sliding doors opening to terraces and gardens. A woodburner adds warmth, and the kitchen includes a pantry and central island with breakfast bar.

The ground floor also has two double bedrooms, each with en-suite, plus a utility and cloakroom.

Upstairs, a timber staircase leads to a galleried landing. The principal suite features a dressing room and spacious en-suite with bath and shower. Two more double bedrooms and a family shower room complete the floor.

The detached annexe offers independent living with a conservatory-style dining space, open-plan kitchen/living room, a double bedroom with en-suite, and its own private courtyard. Proven as a holiday rental, it also lends itself beautifully to multigenerational living, visiting guests or use as a home office or creative studio with potential to extend further, subject to planning.

Outside

A gated gravel driveway provides ample parking for multiple vehicles, with room for a boat or motorhome.

The wraparound veranda extends the living space outdoors, while the landscaped gardens include a tranquil pond, raised decked seating, a covered barbecue shelter and a range of useful outbuildings.

Designed for privacy, relaxation and entertaining, the gardens and side verandas create a true extension of the home.

Location

Few coastal villages can rival the lifestyle that Woolacombe offers. Renowned for its award-winning three-mile beach, the village is a haven for surfers, walkers and families, with a vibrant mix of independent shops, cafés, restaurants and pubs. The South West Coast Path passes nearby, offering dramatic coastal walks in either direction.

The property sits quietly at the end of a no-through country lane, enjoying wide views to the sea and surrounding countryside, yet is only a 20-minute walk down into Woolacombe itself. Excellent local schools include Woolacombe Primary (rated "Outstanding" by Ofsted), with further options at Braunton, Ilfracombe and Barnstaple and the renowned West Buckland School a little further afield.

Despite its unspoilt coastal setting, Woolacombe is well connected. The M5 (J27) and A361 provide swift road access, with Barnstaple station (14 miles) linking to Exeter and London. Exeter Airport, just under an hour away, offers UK and European flights, while Bristol Airport is also within easy reach. Regular bus services and private transfers ensure the village remains accessible to the wider world.
